Pretest Examination: Sexual and Gender-Based Violence and International Peace and Security

The pretest is used by POTI to be able to measure at the end of this course how much you have learned through your studies. We will give you a score at the end of this pretest so that you may see how well you did, but this score will not be shown on your transcript and it has no bearing on your final examination. We wish you well on this pretest as well as the rest of your studies.

Choose the best answer for each question below.

Question 1

In a conflict, _____ groups are most likely to perpetrate sexual and gender-based violence (SGBV).

- A. State
- B. non-State
- C. rebel
- D. international

You must complete the 10-question pretest BEFORE you may access your course material.

COURSE FEATURES

Each course includes:

- Three to 15 lessons
- 50 Question End-of-Course Exam
- Certificate of Completion

All material needed to study, review, and successfully complete the course can be found inside the PDF textbook

- Access the PDF in your Online Classroom or in the POTI Classroom App
- Once the PDF is downloaded on your device, no internet connection is needed to study the course

CERTIFICATE OF COMPLETION

Earn a Certificate of Completion after successfully completing the End-of-Course Examination with a score of 75 per cent or higher.

INTERACTIVE MODULES

A satellite-style map of the African continent. The landmass is shown in shades of brown and tan, with a prominent green area in the west representing Liberia. White lines delineate national borders across the continent. The surrounding oceans are dark blue with white cloud patterns.

Liberia: Africa's first and oldest modern republic

INTERACTIVE MODULES

Introduction to Health and Peace

Health for Peace: Tools for Front-Line Workers

Preventing Infections and Communicable Disease

COVID-19 and Managing Outbreaks, Pandemics, and Epidemics in the Field

HIV, AIDS, and Sexually Transmitted Infections (STIs)

Mental Health Among Field Personnel

Health Emergencies and Disasters

Identifying Suitable Tools and Implementation Plans in Emergencies »

Emergencies are a risk factor for prolonged disabling emotional distress and mental disorders.

Scalable MHPSS Intervention Delivery

There are different delivery models for scalable MHPSS intervention delivery. Those with lower resource intensity include unguided self-help (e.g., books or online), guided self-help (e.g., books or online), and group and telephone-delivered interventions (non-specialist). Those with higher-resource intensity include multi-session individual face-to-

Apprentissage en ligne individuel pour les forces de maintien de la paix (IELP) de Burkina Faso (IELP Burkina Faso)

L'Institut de formation aux opérations de paix a l'honneur de proposer gratuitement son e-apprentissage à tous les personnels militaires, aux policiers et aux employés civils du Ministère de la Défense et autres agences gouvernementales impliquées dans les opérations de paix à partir du Burkina Faso. Le POTI propose 31 cours en anglais avec des traductions disponibles en français, et espagnol. Les étudiants en IELP peuvent télécharger tous les supports de cours, étudier leurs cours hors ligne, passer chaque quiz de fin de leçon avec score, et passer l'Examen de fin de cours en ligne quand ils sont prêts. Les étudiants qui réussissent l'examen avec un score minimal de 75 % reçoivent un Certificat de réussite pour chaque cours.

Si vous avez des questions ou des préoccupations, veuillez contacter le POTI en envoyant un message via le **Bureau d'aide**.

Prêt à commencer votre formation en ligne sur le maintien de la paix?

S'ENREGISTRER

NTCELP

- Partnership between POTI and national training centres
- Offers centres a customized e-learning website to supplement classroom training
